## Overview

### Target the altitude of 4000 meters x 2!

WILD YAK EXPEDITIONS offers you a new challenge in the heart of the Swiss Alps - Let's immerse into an Himalayan ambiance.

**You are fit and dream of discovering the Himalayas but have never reached 4000 meters yet?**

## What about starting your adventure in the stunning landscapes of the Alps?!

Discover two accessible 4000-meter peaks situated in the Mischabel massif above Saas Fee with confidence. Let WYE guide you to the summit of **Allalinhorn** (4027m/13,211ft) as „warm-up“ on the first day. The Allalinhorn is known as one of the easier 4000m peaks in the Alps. At the end of the day, enjoy the authentic ambiance in the mountain hut Britannia, which lies at 3030m/9940ft. After the first day climb of Allalinhorn, the overnight in the Britannia Hut is a perfect acclimatisation for our next day adventure in the Swiss Alps. The second day is dedicated to the ascent of **Alphubel** (4204m/13'799ft), located between the valleys of Saas Fee and Zermatt.

A great mountaineering experience for good hikers who wish to discover the thin air of the high altitude. No previous alpine experience required.

Feel free to contact us for any further information or private tour. We are happy to advise you by email or phone.

**Tag01**

**Saas Fee -> Felskinn -> Allalinhorn -> Britannia Hut**

### **Meeting\* in Saas Fee**

Welcome by our WILD YAK mountain Guide, short briefing and check of material.

We then take the Metro Alpin to the highest rotating restaurant in the world at 3600m/11'811ft. From there, we start our first day adventure with a gentle warm-up hike to the bottom of the ascent of the glacier.

In about two to three hours, you will be able to swallow the 500-meter elevation to the top of the Allalinhorn! From there, look around you and enjoy the breathtaking panorama of the surrounding peaks. We take the same track for the descent as the one for the ascent. It takes about two hours again to reach our starting point at 3600 meters above sea level.

We continue then in direction of the Britannia Hut, which lies at 3030m/9940ft.

Overnight in the Britannia Hut.

D+: 600m / D-: 600

Duration of hike: approx. 5 hours

*\*The exact time will be communicated to the participants a few days prior to the Tour.*

## Britannia Hut -> Alphubel -> Längflue Station

Early morning wake-up for a departure at dawn. The time to admire a magnificent sun rise. We start with a smooth ascent and cross below the Allalinhorn towards the east. The route goes then gradually up on the glacier before the final large couloir below the wide summit plateau.

HERE YOU ARE! Your efforts of the ascent are rewarded by a dazzling view of the Monte Rosa massif and the legendary Matterhorn pyramid in the background.

We descent the first part on the same route as the one for the ascent before bifurcating towards the Längflue station.

D+: 1350m / D-: 1350m

Duration: approx. 8,5 hours
