Overview

Have you ever tried ski touring?

If not, then join us for our one-day introduction to ski touring. A great opportunity to discover ski touring away from the crowds with confidence and pleasure.

Explore the beauty of the nature with your skis off-slopes.

A morning dedicated to introduction to ski touring. Though the afternoon is dedicated to bring you awareness about avalanche with a gentle practical workshop. Our WILD YAK Mountain guide will provide you with general information about the safety equipment, avalanche search, avalanche awareness and practice your orientation.

Contact us for more information or for a private tour. We are happy to advise you by phone or e-mail.

Himalaya atmosphere in the Alps guaranteed with WILD YAK EXPEDITIONS.

Program

Show Detail Itinerary

■

Day 01

Location to be confirmed (depending on the snow conditions)

Morning

Welcome and equipment check*.

Ready for your first “slides”? Then let’s go on an easy ski tour and get familiar with your material. Our Mountain Guide will give you some interesting tips about the material, safety in the mountains, and tips and tricks for the ascent and descent. Appreciate the moment to be one with the nature!

We take a well-deserved picnic break before the afternoon program!

**The exact location and time will be communicated to the participants a few days prior to the course depending on the snow and weather conditions.*

WILD YAK Services

- Organization of your Trip by WILD YAK
- Professional and experienced supervision by our IFMGA mountain guide
- All taxes included

Logistics

WILD YAK EXPEDITIONS’ PHILOSOPHY

WILD YAK EXPEDITIONS focuses on security and **quality**. We believe that this is the best way to guarantee **an excellent and relaxed alpine experience.**

In addition, we adapt the group size to the conditions in the mountains in order to guarantee the best security for you and our guide. Hence, we benefit from **greater flexibility** and can **better tailor personal support**.

LEVEL

No ski touring experience is required.

However, it is essential to be a good skier on the trail with a few off-piste runs to his credit.

Basic stamina for an ascent of about 2 hours.

MATERIAL & PERSONAL EQUIPMENT

A complete list of material and equipment is communicated, upon your booking.

LAST BUT NOT LEAST

A few days prior to the tour, we will provide you with the latest information, depending on the weather forecasts and conditions on the mountain.
